This Week's Learning
Year Four

Week Commencing Monday 9th November

Messages	Welcome to week two. We have an exciting start to the week with a special visitor coming in to teach us some Indian dance to celebrate Diwali. Parent consultation week too – We hope to see you all then.☺ Read below for this week's learning.
Maths	Addition and Subtraction with 4 digit numbers
Reading	Comprehension based on The Night of the Gargoyles. As You are aware, children all have their updated ZPD levels now. So keep reading and let's get quizzing. Remember to read your book three times before quizzing.
Writing	We will be working on our class book, 'The Winter's Child'. We will be focusing this week on dialogue.
PE	Dance – Combining moves to make a repitition.
Computing	Internet safety.
Geography/ History	What did the ancient Egyptian believe in?
Art	NA
Design Technology	Pneumatics – How do pneumatics work?
Science	Maths week activity.
RSHE	Celebrating Differences – Understanding influences.
