## Conditions of school use of Photographs

### Parents copy

This form is valid for five years from the date you sign it, or for the period of time your child attends this school or setting. The consent will automatically expire after this time. It is your responsibility to let us know if you want to withdraw or change your agreement at any time.

1. We, the school, setting or service, will not use the personal details or full names (which means first name **and** surname) of any child in a photographic image on video, on our website, in our school prospectus or in any of our other printed publications.
2. We will not include personal e-mail or postal addresses, or telephone or fax numbers on video, on our website, in our school prospectus or in other printed publications.
3. If we use photographs of individual pupils, we will not use the name of that child in the accompanying text or photo caption, unless we have your agreement.
4. If we name a pupil in the text, we will not use a photograph of that child to accompany the article.
5. We may include pictures of pupils and teachers that have been drawn by the pupils.
6. We may use group or class photographs or footage with very general labels, such as “a science lesson” or “making Christmas decorations”.
7. We will only use images of pupils who are suitably dressed, to reduce the risk of such images being used inappropriately.
8. **As the child’s parents/guardian, we agree that if we take photographs or video recordings of our child/ren which include other pupils, we will use these for personal and family use only.** I/we understand that where consent has not been obtained from the other parents for any other use, we would be in breach of the Data Protection Act 1998 if we used our recordings for any wider purpose.
